

# Brad's Automotive Torqit Performance 48 Hour Trial Application Form

Great News! Brad's Auto has become one of Australia's largest stockists of Torqit performance products.

To celebrate, we can now offer a free 2 Day (*ie. 48 hour*) trial period on selected models. Simply get in touch with us via phone or website, and we will fit a Torqit Power Module or Pedal Torque product for you to try for a couple of days. This will allow you to test the vehicle's performance gains, either towing or just getting around.

Fill out the trial form to get started!

If you decide that you can't handle the increase in torque and power, just come back to our workshop and we'll return your vehicle to standard, no questions asked and absolutely NO CHARGE! If you want to keep it, simply let us know and we'll arrange for a purchase to go through – easy!

To qualify for a trial please supply in person:

- **A valid Australian Driver's Licence**
- **A current Credit Card**
- **This filled out form**

### Terms & Conditions:

1. The Performance Trial is only available from Brad's Automotive workshop, Woolloowin.
2. Modules are not be removed once installed except by authorised Brad's Automotive staff.
3. Modules are not be tampered with or disassembled.
4. Products must be returned in saleable condition. Damaged modules will have to be reimbursed to us, including modules damaged via sand, mud, etc..
5. Trial period starts after the fitting of the module for a period of forty eight (48) hours. Please contact us immediately if you know you will miss the return window – we are understanding of exceptional circumstances.
6. Road rules must be adhered to when trialling our products. We take no responsibility for your actions during the performance trial, regardless of how much power your vehicle gains.
7. Your driver's licence and credit card will be photographed / photocopied as part of the signup process.
